

**The  
Adventures  
of Cactus  
Cam: The  
New Friend**

**Written and illustrated by Cameron Cronick**

This is Cactus Cam. He is a purple, prickly cactus with a humongous bright pink flower.

Cactus Cam is sad because he has no friends.

His mom and dad always say “Don’t worry,  
you’ll make friends at school.”

Cactus Cam was **TERRIFIED!** He was scared and nervous about school.

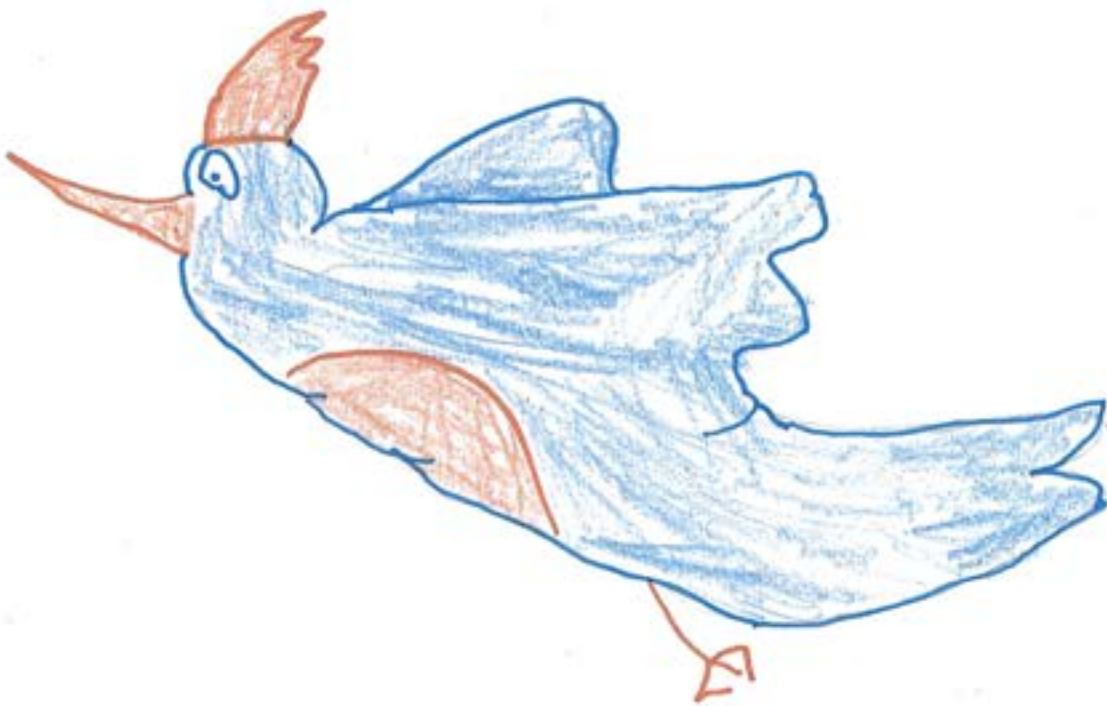

He went to school and didn't talk to anyone.

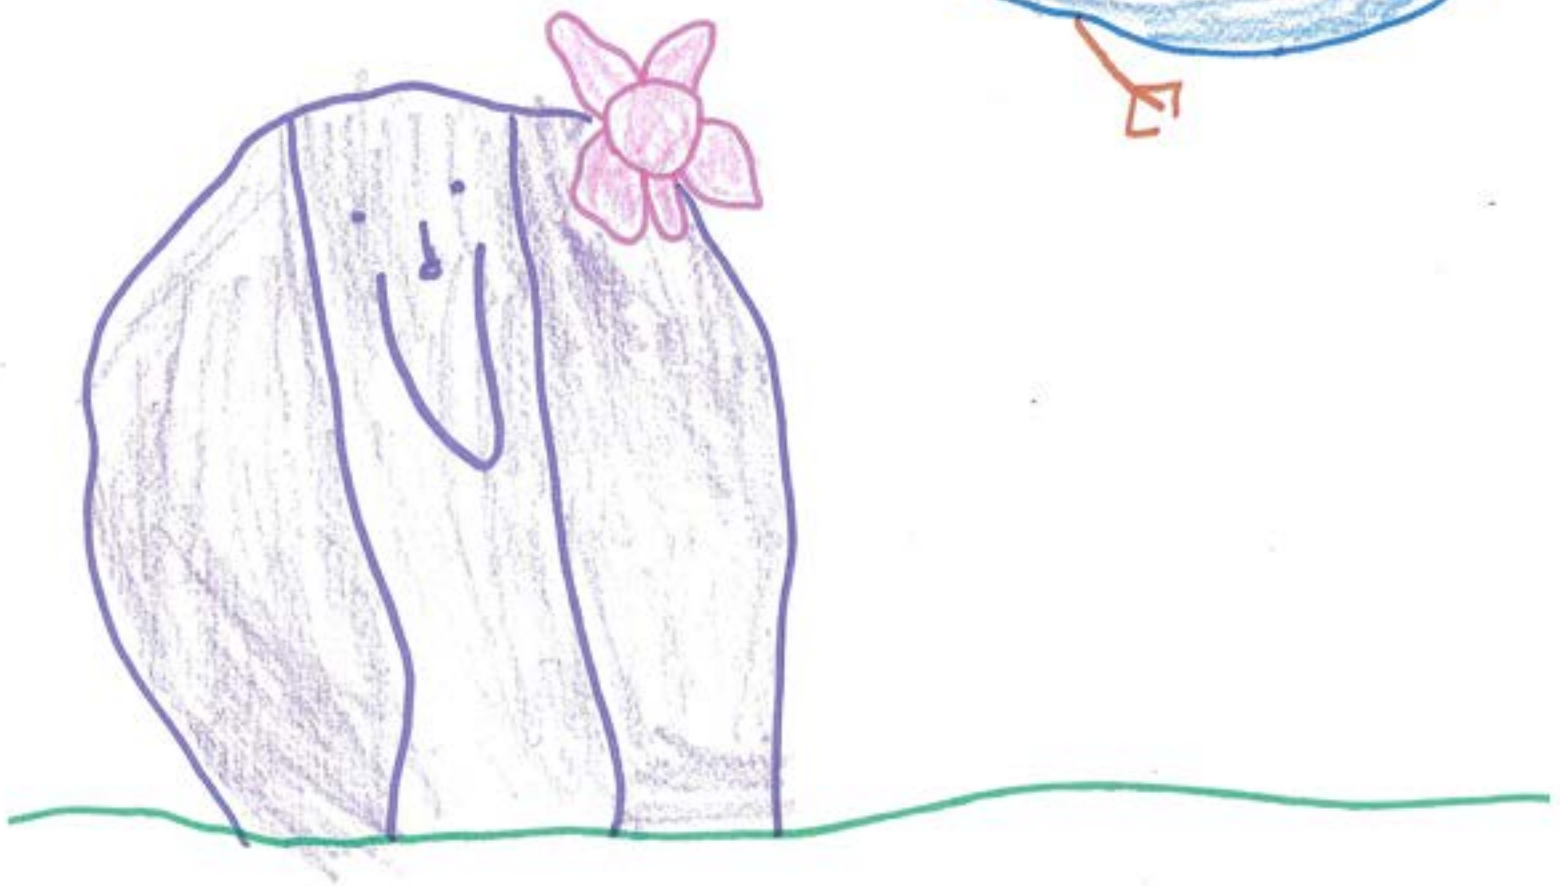

UNTIL...

Willy asked Cam “would you like to play with me?”

**BEST FRIENDS FOREVER!**
