

100 baby's

by Felix Thaneal Sommers.

once upon a time there was a baby chipmunk named Chip.

One day he was by a pond when a turtle popped out, The turtle's name was Dale.

They soon became best friends, and lived alone together.

Then they met a mole, and his name was Diggie, and he joined their group.

Then they found a beaver
named nippy.

Then they all met wormy the chick, and they all lived
together.

They became spy ninjas happily stealing food from humans,
living happily ever after.

The end.
