Have you been mysterious? Once upon a time there were three friends. All three friends were at their homes. One of them named Dave was on a trip.

Dave was walking on a trail in the woods in Canada and by a blink of an eye Dave appeared in the middle of nowhere. Dave yelled for help but there was no answer. Soon Dave called a rescue crew and then he realized a roof of weeds.

Dave was not able to be found. Until one day Dave finally found a place where he can blink to get out of the maze. THE END
