

Title: A way to get a fish & a parrot.  
Written By: Emma Bornstine

This is a cool story if you like fish & parrots.

One sunny day, There was a brother & sister. They were on their tablets searching for pets. Their names were Bethany & Alex they lived in North Carolina. While they were searching for pets Bethany & Alex found a fish & a parrot for 3.00. But they remembered their mom does not like parrots & fish so Bethany & Alex thought of a plan to get their mom a parrot & a fish Alex thought of a plan Alex's idea was to do extra chores so their mom would buy them a parrot and a fish.

“NO!!!!!!” said their mom

Bethany & Alex thought their mom was stubborn but Bethany thought of a plan Bethany said “let's show mom how good a fish and a parrot is for us. So they showed their mom many things about fish and parrots and their mom bought the fish and the parrot for them and Alex and Bethany named their fish coral & named the parrot bluey because he was blue and they all had a happy week.
