Bang boop ting bop! One monday morning in North Dakota Dave and his brothers Chris and Micheal started to pack for their vacation to North Carolina. Dave is happy and excited about vacation, Chris isn't as excited as Dave was, but Micheal was not happy at all because his puppy had died the day before.

So when Micheal got in Dave's car Dave asked, "hey you OK?"

Micheal said with sadness, " No, I miss him so much."

Dave said, " It's ok to take some time to grieve at the beach house. OK?"

Micheal mumbled, " I know, but I don't want you to feel bad when I am not there doing stuff with you."

Dave said, " It's ok, we know you want to be there."

So, eventually when they got to Ohio everyone wanted food. So, they went to Arby's. Everyone got the same thing, two quarter pounders mozzarella sticks, and a milkshake.

So, then when they got to Tennessee they stopped at Pigeon Forge. Then they went into Paula Deen's Restaurant. It was delicious! Then Chris threw up and they left.

Then when they got to Charlotte, North Carolina Dave said, " Did I pack the Nintendo Switch?"

Then Chris checked and yelled, " NO!"

So, they tried to call Micheals wife, but she didn't answer. Then the thought and thought until they finally had an idea. They tried to call Dave's wife but she didn't answer either. They started to panic they tried to think of more idea's

Then Micheal thought of something, why don't they just go back up to North Dakota in a couple of days.

So that's what they did. Then they get to North Carolina and Dave says, " Did you grab the games?"

Micheal and Chris say , " NO!"

So then they have to go back to North Dakota. Then when they got back to the beach house they had an amazing time playing Zelda, Mario,
