Where are we going?

Once upon a time there were 2 kids in the family and 1 mom. Their names were Charlie, Shylo and Lindzi. Shylo is 12 years old, and Lindzi is 37 years old. Their mom Lindzi surprised them the next day. She explained, when you wake up, get dressed!

So Charlie and Shylo asked, where we're going? Lindzi replied, come down stairs. So when they were down stairs they ate breakfast. After Breakfast Lindzi mumbled, I have a surprise for you. Shylo and Charlie got really excited. Lindzi answered, are you ready?" Lindzi said, were going on vacation! They both got really excited.

Next Lindzi snarled, and went to the beach. They both got really happy. So then it was Monday. They were on vacation and they had a beach house. It was big so they all went to the beach. It was really warm so then they went to sleep. They woke up and it was 1 hour until they left. So finally they left and Shylo yelled this was the best vacation ever.
