

The Grood

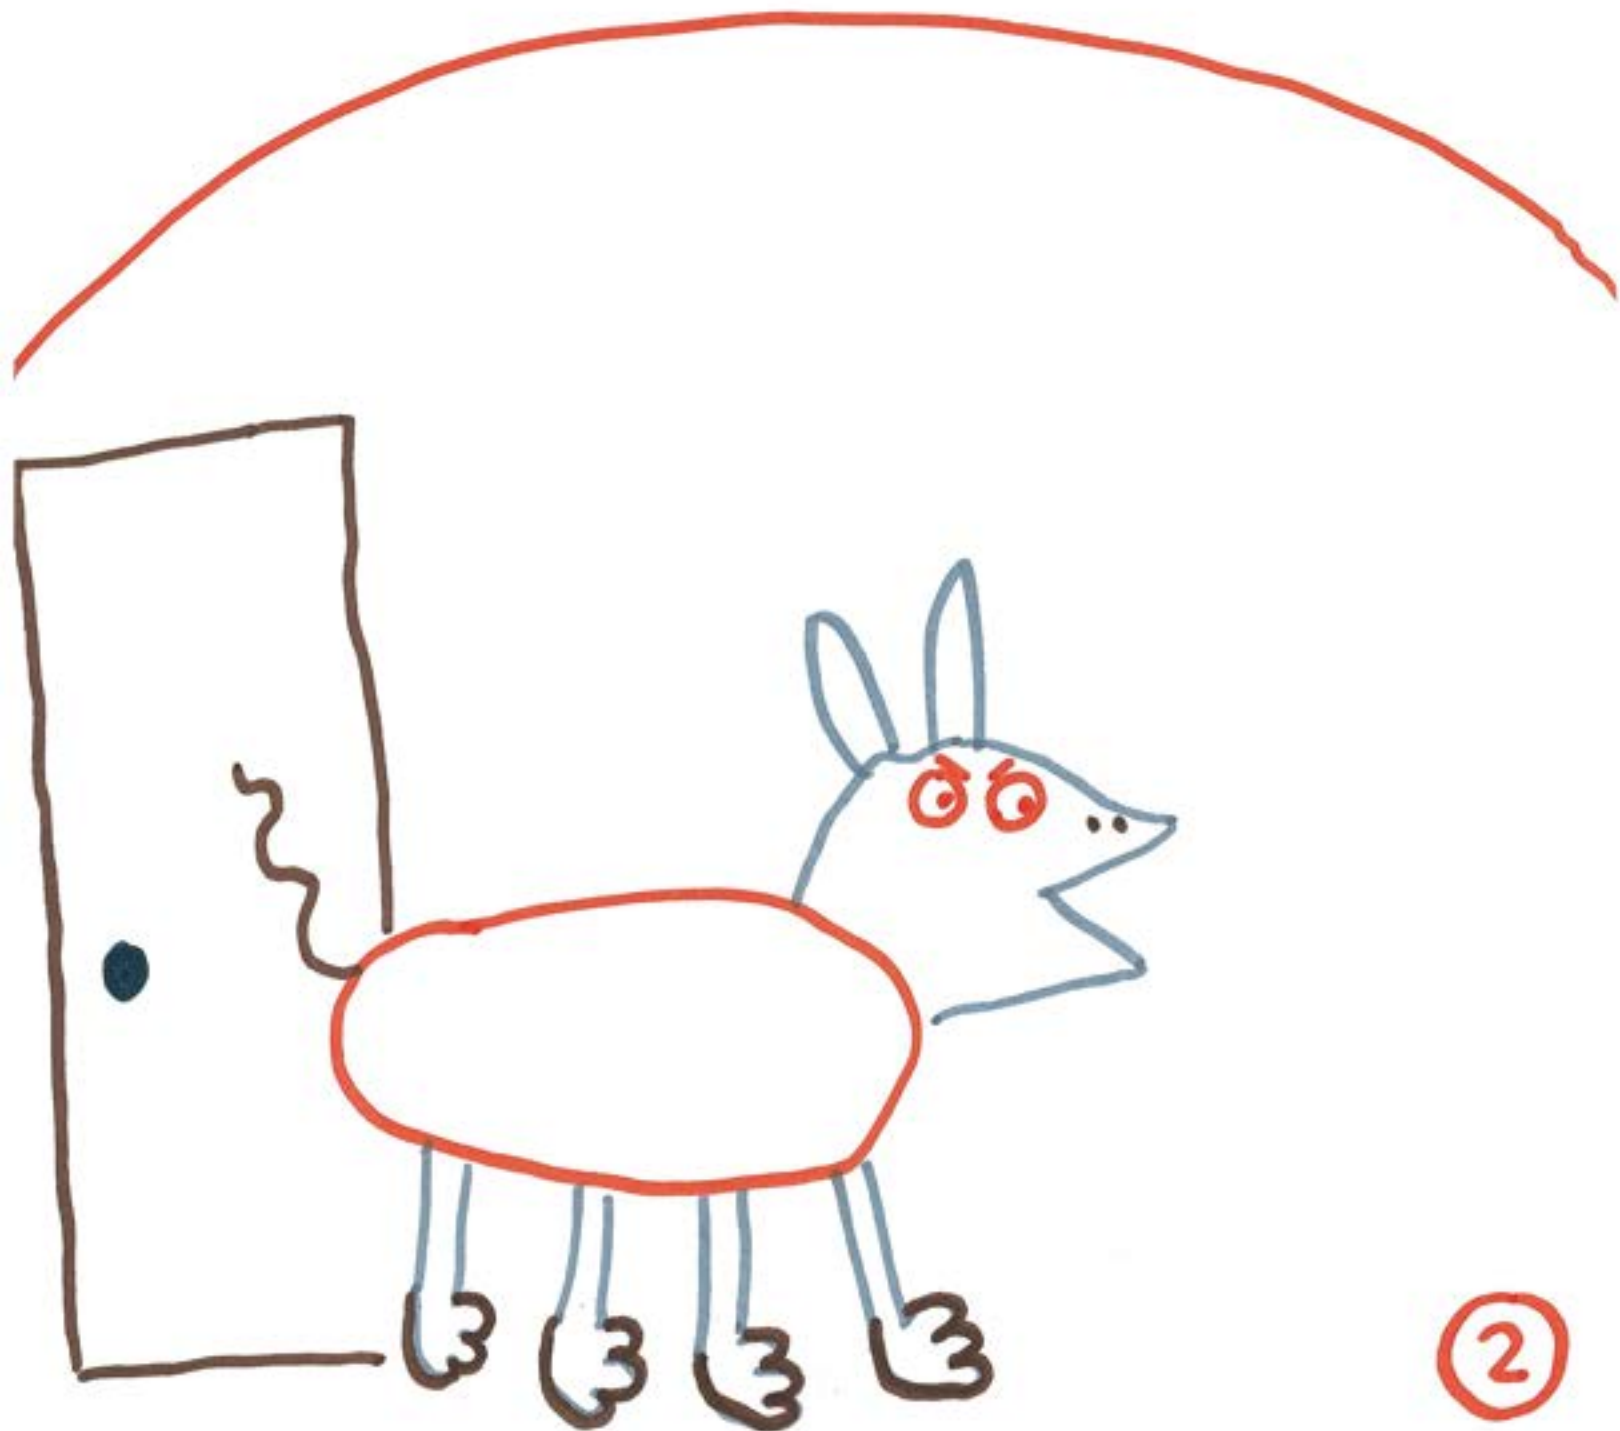

by Lucy Collier

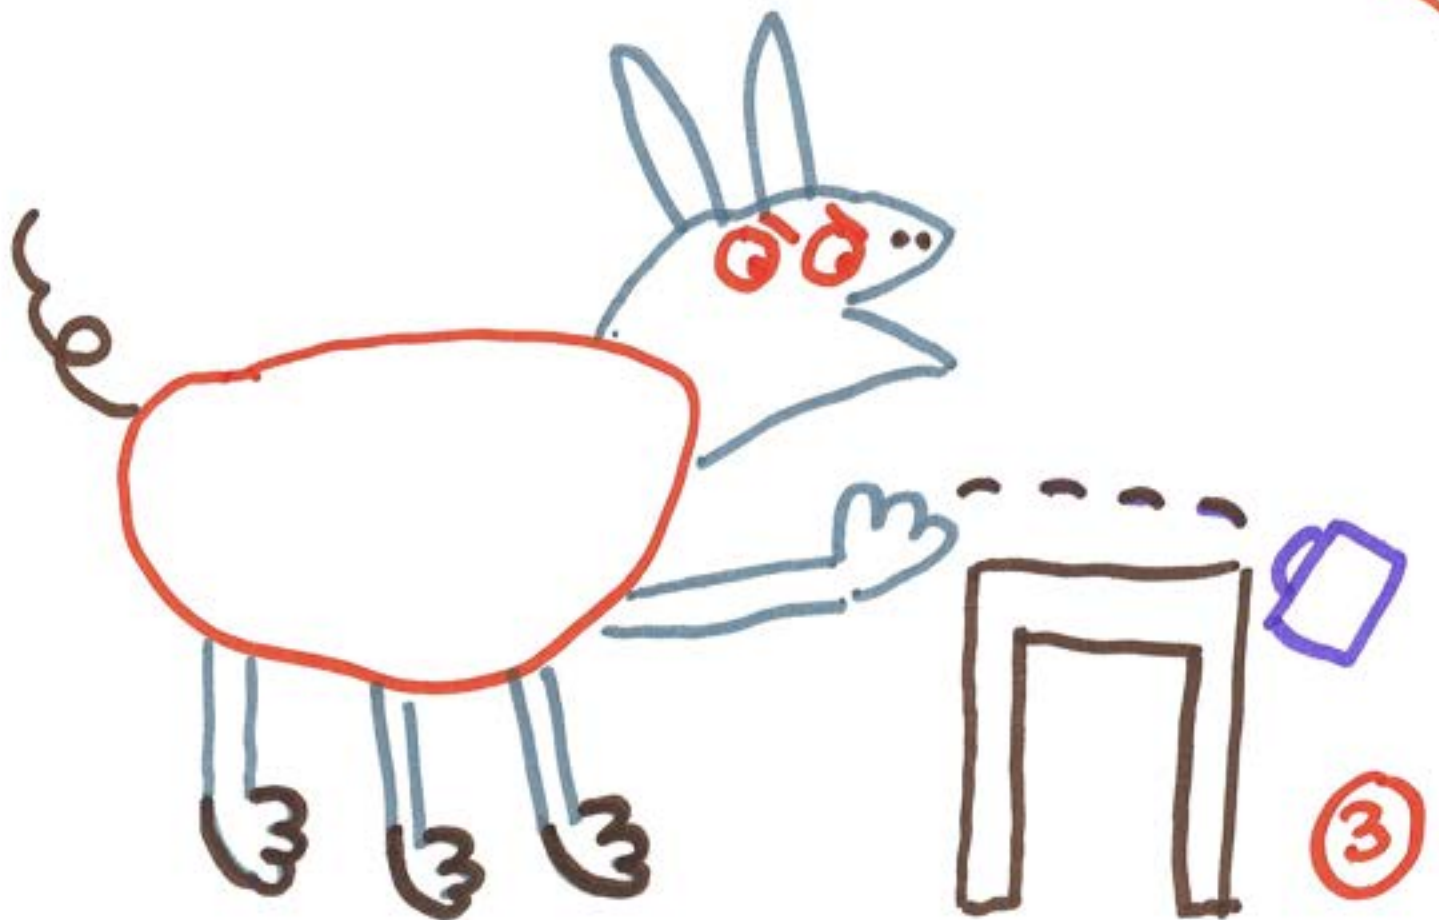

The Good, is a mannetless
Sort

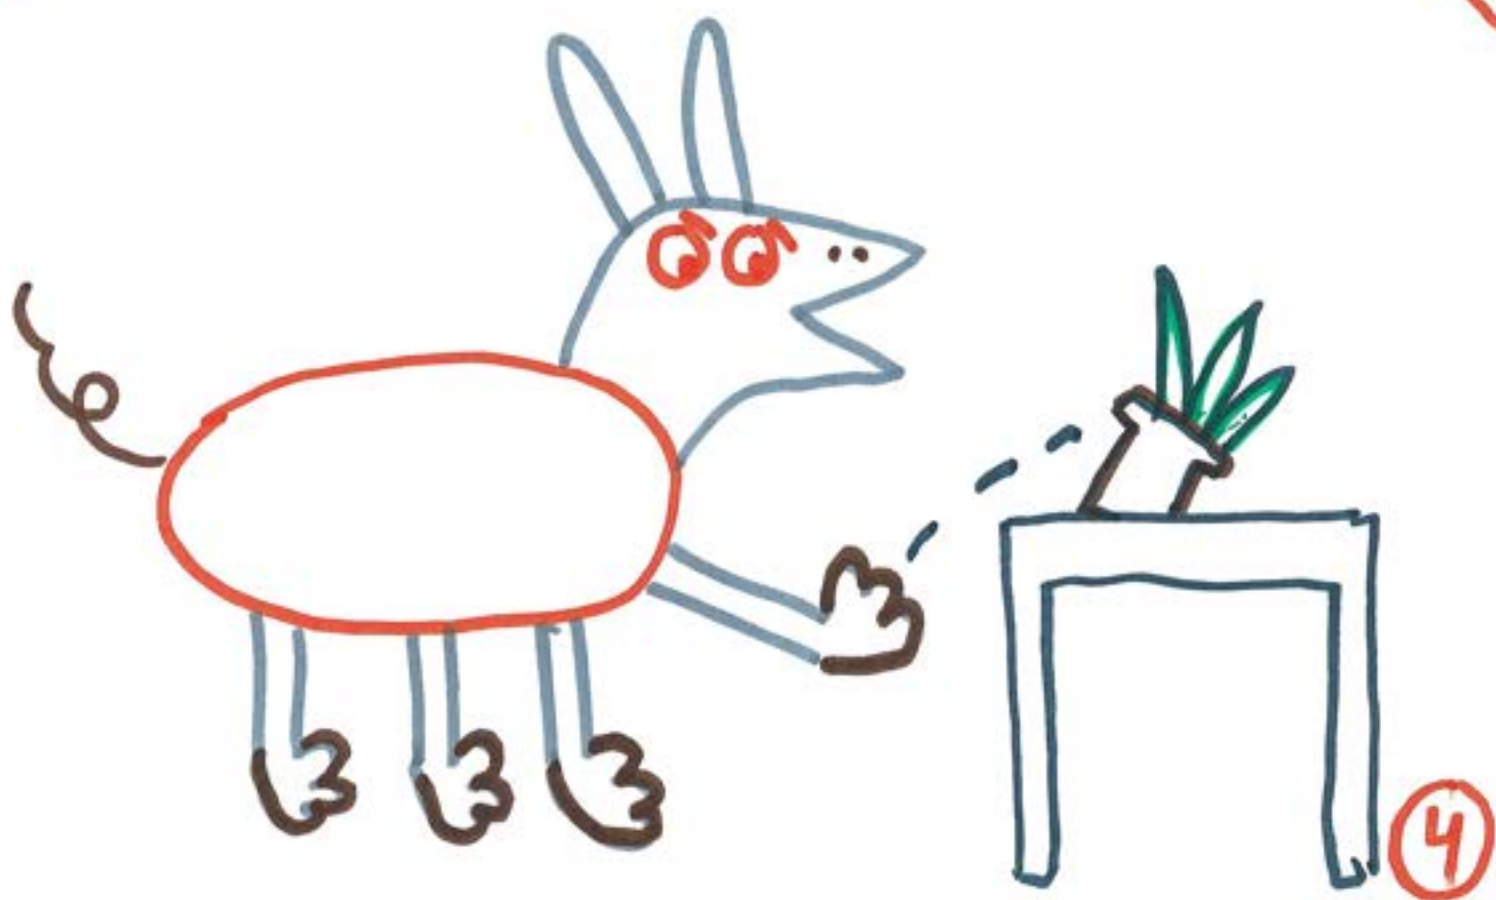

he tracks mud in the house

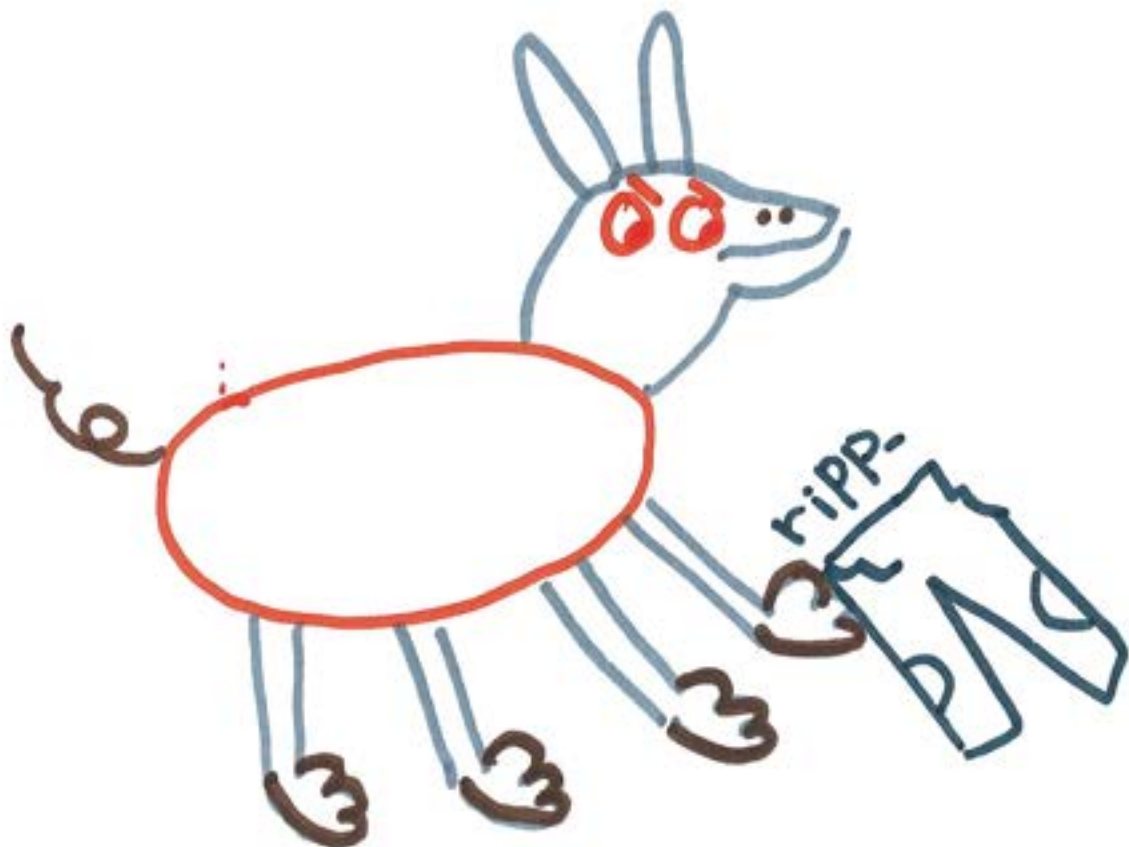

and cracks your
priceless mug

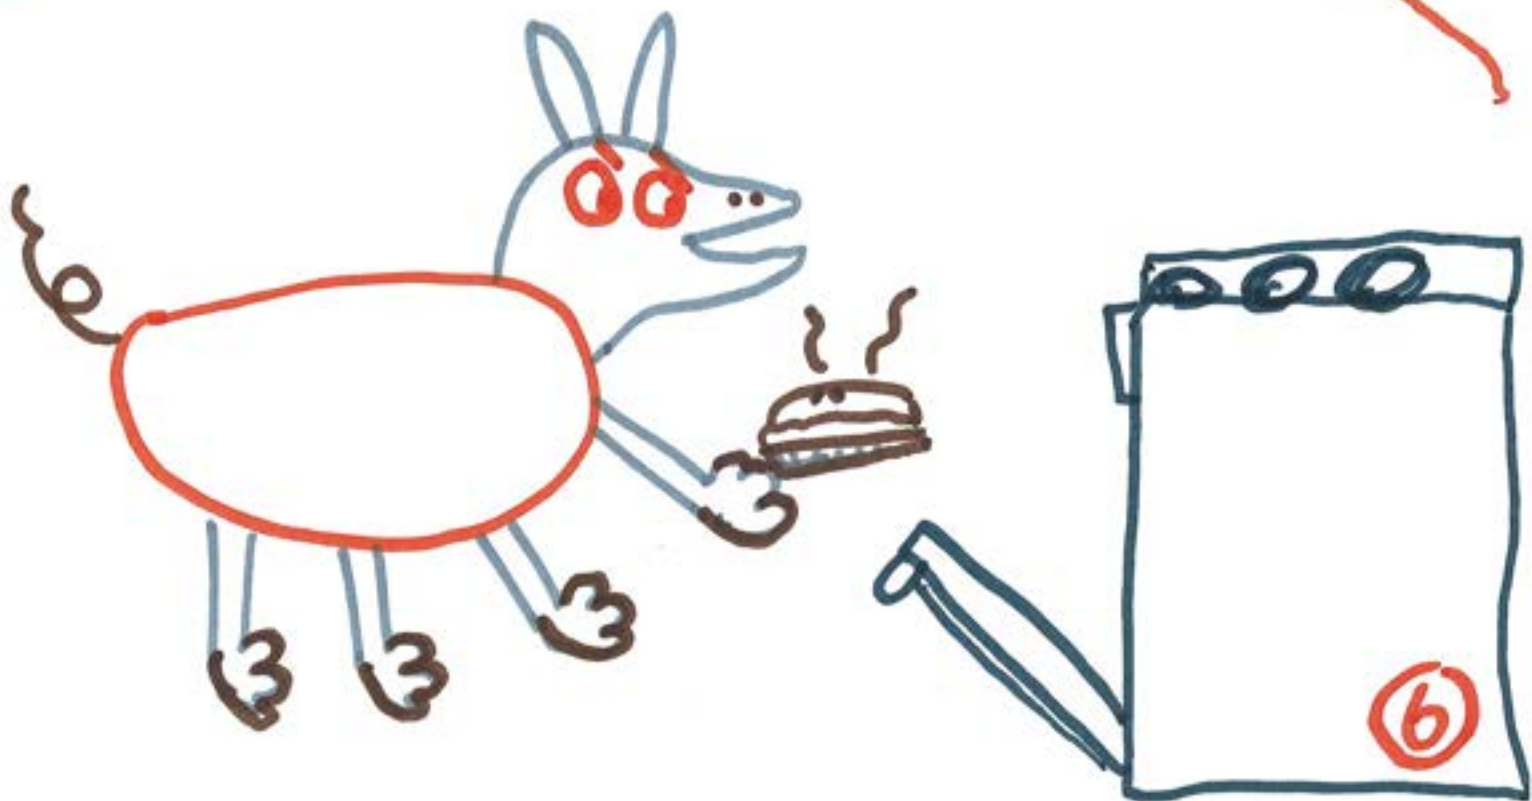

he tips over your plants

and rips your favorite pants

he takes your oven baked pie...

and throws it into the sky

he eats all your food.

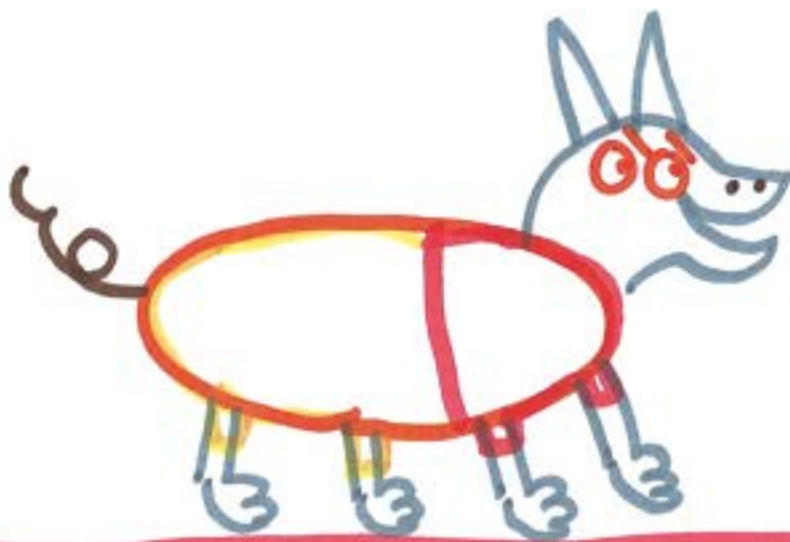

and is super rude

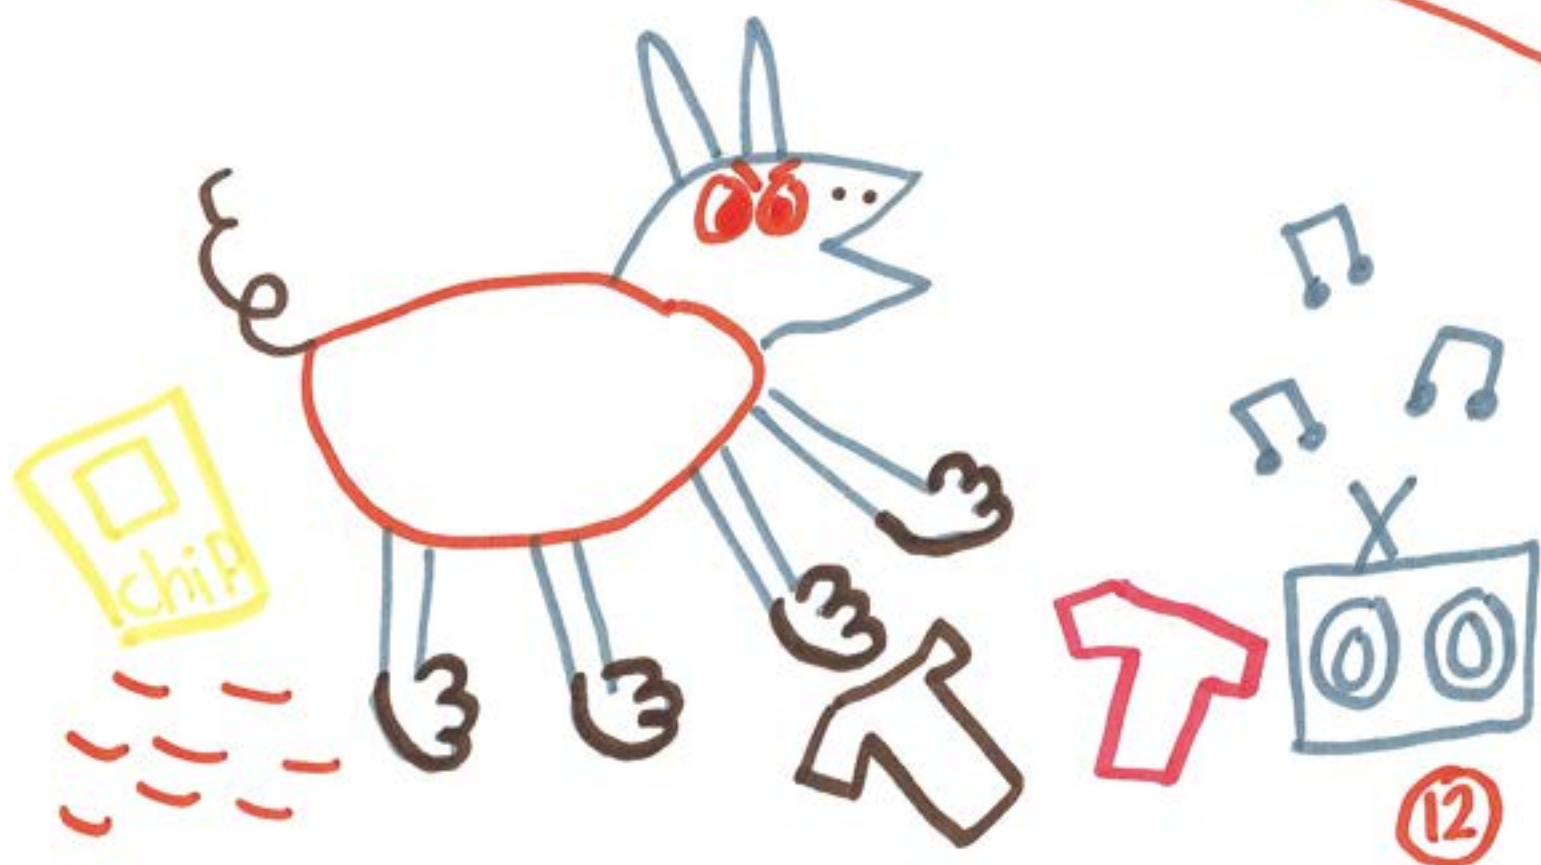

he steals all your clothes.

and has his own fashion
show.

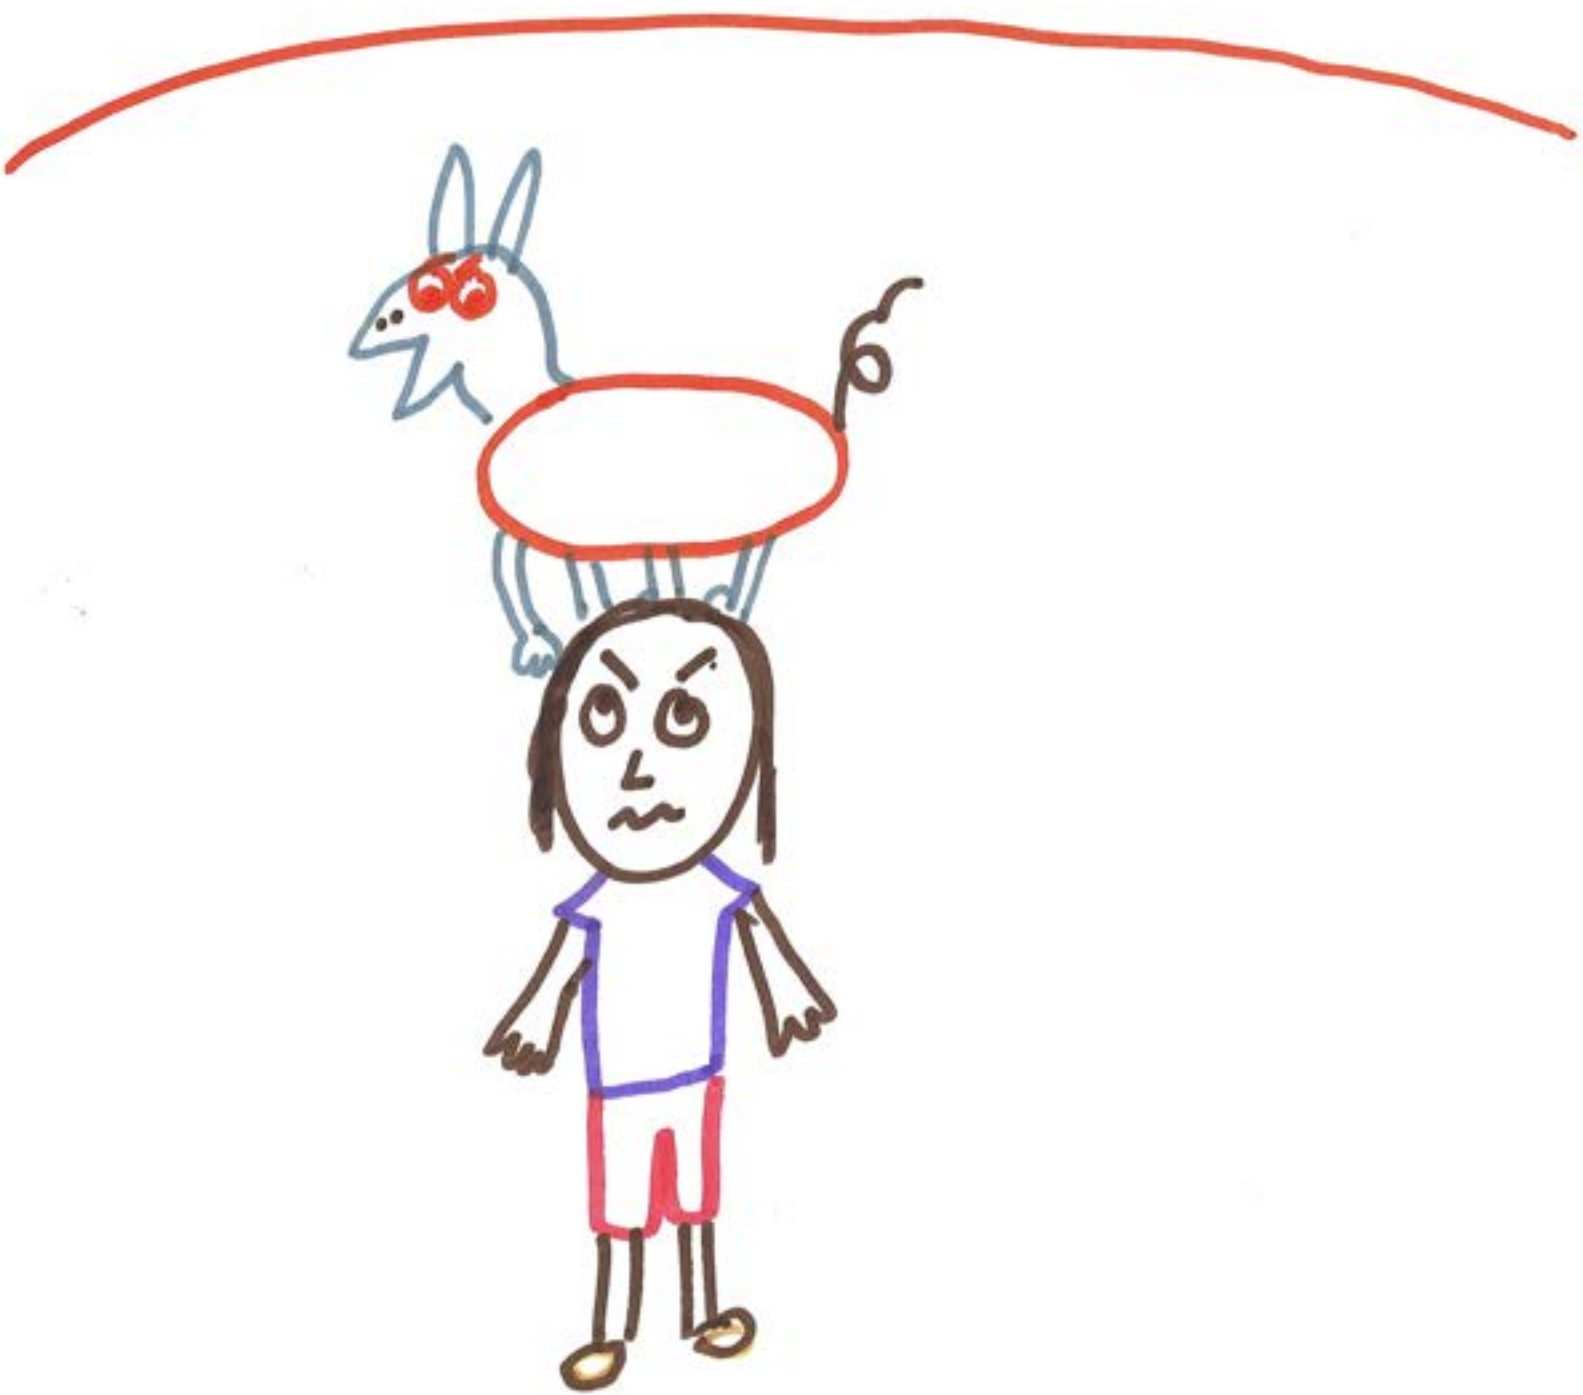

he makes a huge mess.

and does not clean it up.

he sits on your head

and sleeps in your bed

So you see, the Grood is
rude.
