

Title: Field day
Written By: Tyler Mark

Field day was the best thing because we get to do fun activities. My friends are Noah, Damian, Emmett and I ate cotton candy at CIS during field day. We had a great day. On field day we were so excited for the bounce house.

The bouncy house gets a hole in it. It got poked with a nail on accident by Noah. I got in a different one. So we didn't get to jump in one of the bouncy houses. Tyler and Damian are sad that they don't get to jump on one. Emmett and Noah thought it was funny. We jump on the other 3.

After we played in the inflatables we decided to eat cotton candy and play games too. Everyone had a good time and were happy at the end of field day.
