

Title: The dragon war
Written By: Ryan

When will they destroy the leader of the humans? The two friend dragons were having a normal day like always on their planet. They are playing games, helping each other, doing their jobs.

But something horrible happened. The god dragenet was turned evil by the humans that always want to destroy their planet. And they almost won this time. The two dragons got more dragons and dragonets to help them in the war that lasted 12 years.

Finally they captured the leader of the humans but he cerst himself so if they destroy him dragonia will also be destroyed and will never return.
