### Leap into Science: Light and Shadow

**Thursday, June 24 @ 1PM**

Discover how light creates and affects shadows by listening to a story then constructing structures from blocks to determine how light alters their shadow. Finally, you will recreate shapes from a shadow picture. *[Every non-vaccinated patron over the age of 10 will be required to wear masks. Social distancing will be in place. Rain date will be **Friday, June 25 @ 1PM. Registration Required]***

## Chalk the Walk Week

### Chalk the Walk Week

**Week of June 7–12**

The library's sidewalks are your canvas! Come transform them into masterpieces with sidewalk chalk. Stop by the circulation desk to get your chalk and assigned space. We'll provide the chalk, or you can bring your own. *[Every non-vaccinated patron over the age of 10 will be required to wear masks. Social distancing will be in place.]*

### Grab and Go Science

**All Month [Until supplies last]**

Come in to get a kit to take home.

**June**

**July**

Dragon Maze

### Break-In Bags

**June, July, August**

You've heard of escape rooms. Now get ready for Break-In Bags! Test your cleverness and ingenuity. Can you decode the answers to get to the goodies inside your bag? *[Available for ages 10–18 while supplies last.]*

### Science 2 Go: Capture the Castle

**July**

Harken back to medieval times by designing your own coat of arms, creating a mini castle from sugar cubes, and building a catapult. Kits available for pickup *(1 per family)* at the Dalton Branch during July and will be distributed on a first come, first served basis. Kits will include instructions and a video to help with experiments. *[Grades 1–5]*

## WEEKLY SUMMER CHALLENGES

**June 1 – July 31**
