## Tech Programs

### Computing for Job Seekers

Thursday, December 7 at 4 PM

Do you need some guidance navigating through online job applications? How can you tell what's a real online job listing and what's a scam? Do you REALLY need to get an email address? Join us to help clarify the process of using the computer to apply for jobs. Registration is required.

### Tech Thursday

Thursday, December 7

from 5:30 - 7:30 PM

Thursday, January 4

from 12 - 2 PM

Thursday, February 8

from 5:30 - 7:30 PM

The help desk is open! Want to learn a new computer skill? Having trouble with a device (computer, tablet, phone, etc)? Come in for a one-on-one help session. No reservations required, first come first served.

### Robotics Play and Learn

Thursday, January 4 at 10:30 AM

Come and build a working robot, then learn how to program your robot to move, push, pull, and even sing!

Registration for ages 7 - 11 is required.

### Design Your Own Mug - with a Robot!

Thursday, February 8 from 4 - 5 PM

It's hot cocoa season, and what better way to warm up from the cold than with your very own mug? Create your own unique design using Inkscape on the computer, then watch as the design is drawn onto a blank mug by the library's EggBot (a printer that draws on spherical or ovoid objects). You'll leave with a mug that is 100% one of a kind. Registration for ages 13 - 18 is required.
